**Subject:** Commonwealth v. Docket

## ADA Bell,

You have summonsed Kate Corbett and me for this trial tomorrow. Any change of venue or continued date?

## If the trial is on:

- 1) Is it a jury trial? Can we be on call until the jury is impaneled? Can we come to Woburn after the Court's lunch?
- 2) Is it a bench trial? Would you need us earlier in the morning?

I am at (617) 983-6627.

Best wishes, Mike Lawler
